SPECIAL INTERCLUB EDITION

A Note From Our President

Welcome to the special InterClub 2026 edition of F-Stop. This annual competition and exhibition showcases the quality of Club photography across NSW and the ACT.

We had 1,597 entries from 18 clubs this year, including submissions for our new FCC Smartphone category. This was nearly 300 entries more than 2025.

Inside, we have a selection of Club photos and a table of scores for each category. I think you will see that the output of Clubs is growing stronger, more creative, and more inspiring every year.

When you look at the scoreboards, please keep in mind that total club scores often reflect the number of entries and not just their quality. Typically, larger clubs enter 10 images in every category while smaller clubs enter fewer images and fewer categories.

That is why, although there is always some fun and healthy rivalry between the larger Clubs over who is top of the InterClub scoreboard, the InterClub is also important as a way for smaller

Cont....

Clubs to show their work to the public.
A huge thank you to everyone who joined us for the November exhibition. We had over 30 people in Erina on the day – many who participated in a presentation and workshop on how to evoke mood in your photography.
Look out for this DIY presentation and workshop for Clubs on the FCC website which Don Munro will add in early 2027.
In addition, we had 40 people from across the state who watched the exhibition and awards via our FCC YouTube livestream.

Finally, thank you to our judging panel—Don Dickins, Flavio Spedalieri, Frank Shu, Peita Ward, Peter Sherlock, and Shane Clarkson—and Justin Wood who produced much of the professional standard audio-visual presentation and the livestream to the FCC YouTube Channel. This event would not be possible without you.
I hope you enjoy the terrific 2026 InterClub photos, and keep on creating!

Michelle Kennedy
FCC President
